

FEED AND BIOFUEL
**SPARE PARTS
FOR EXTRUDERS**
FOR MANY MAKES AND MODELS

ANDRITZ is vital to ensuring a reliable global supply of aquafeed, animal feed, pet food, and biofuel. With full process lines accounting for half the world's production of

aquafeed and biomass alone, we continuously support leading producers in achieving the highest levels in safety, quality, and control from feedstock to final product.

**HOW CAN WE HELP
SERVE YOUR BUSINESS?**

ANDRITZ

ENGINEERED SUCCESS

ANDRITZ Feed & Biofuel is well known as a worldwide supplier of performance parts for OEM extruders and is your partner for the lifetime of your equipment; whether that equipment was initially supplied by ANDRITZ or by another manufacturer.

Over 30 years experience in the extrusion industry for use in the production of animal, aqua, and pet food has taught us much about the making of high-performance extrusion parts for the leading brands of both single and twin screw extruders.

We understand the importance of superior wear resistance to lengthen the lifetime of your equipment. Therefore, ANDRITZ uses only the highest quality steel for all aftermarket parts and all non-OEM parts supplied are manufactured to OEM specifications and are designed to provide you with the most cost-effective solutions on the market.

We stock a full range of parts at strategic locations around the globe to minimize downtime and maintain productivity. Additionally, a member of our expert engineering team is available upon request for the installation of any ANDRITZ Feed and Biofuel parts or equipment.

WHAT WE CAN OFFER:

- Screws
- Sleeves
- Shafts
- Shear locks
- Die plates
- Service (e.g. pressing out and fitting of new sleeves, removal of screws, and on-site work).

ADDITIONAL BENEFITS:

- Guaranteed extended lifetime
- Fast delivery of parts in stock
- Customized solutions
- Multiple steel grades available

Ask your ANDRITZ contact to check what is available for your extrusion equipment.
